FROM : Acting Director, RMPS

SUBJECT: Released Documents Concerning RMPS Funds for FY 1974

Enclosed is a copy of a typical telegram (Attachment 1) sent to all 53 RMPs together with a list indicating each RMPs' funding ceiling for FY 1974 and for the 1st quarter's allotment available thru 12/31/73.

Ten of the 53 regions received the basic telegram with the additional information (Attachment 2) regarding support for Pediatric Pulmonary Centers. They are identified on the enclosed list with an asterisk opposite the RMP.

You will note that a separate telegram (Attachment 3) was sent to Dr. Roy F. Goddard, Southwestern Pediatric Pulmonary Center, Albuquerque, New Mexico, because that centers' support is in the form of a direct contract and not through the New Mexico RMP grant.
